MILK BOWL TEAMS TO GET SPOTLIGHT

RADIO BROADCAST FOR PEE WEE TEAMS HERE

The Milk Bowl Game here on Saturday afternoon, December 10 is growing in interest to state-wide proportions and Cameron was being spotlighted as the site for the first such football venture in history.

Several factors were combining to make the coming event one of major interest all over the state. The latest development is assurance that the game will be broadcast over a state wide network of stations, commensurate in coverage to Southwest Conference games.

Little did the people in Gause dream when they looked about them to visualize something for the kids in their neighborhood, that they were making sports history and were instrumental in inaugurating something that may take the state by storm.

That something is football for the little fellows who weigh under 100 pounds, and what's more football on a scale that will give them equal billing with the big name high school teams all over Texas.

Well, that is what is happening and The Cameron Yoe High School Band will furnish the music and give the half time program. There will be big name referees and officials and a program printed and sold as a souvenir of this first such football game in history .

L. G. Smith had received the roster of the Gause team but had not received the San Saba roster. Starting lineups will be printed. The Gause team has a fine record for the season. The record of the San Saba team was not available but will be sent in soon.

Due to the lateness of the season the game will be played in the afternoon.

for that and other reasons the game here on December 10 will be something of a precedent setting thing that may skyrocket football stock in ever hamlet and village in the country.

The big occasion is a game between Gause and San Saba. The Pee Wee teams of these towns are little boys weighing not more than 100 pounds. Cameron has gotten behind the movement and will go all out to make it a success. Daily radio broadcasts and news services are extolling the project and noting was lacking except sale of some 5000 tickets. They were placed on sale at the Chamber of Commerce here Friday.

YEAR TOTAL MAY FALL BELOW 1948 FIGURE

Building permits in the city of Cameron for the month of November were the lowest of any month during the year, it was disclosed when the total was announced at $4,343.00.

Indications were that the figure for 1949 would fall below the total for 1948. Since the war closed the 1947 figure was the largest. Since materials were made available for civilian use building values in Cameron have been around $300,000 a year. They will fall below that figure for 1949.

In the November permit totals only repairs and additions were included. Some new residence construction was in the making and December permits may rise, although it appeared that building had tapered off to a minimum.

Despite the lack of a boom here Cameron has been steadily expanding, so much so that a crisis is approaching both in the need for sewerage facilities as well as water.

Cameron needs desperately to revamp its water and sewer systems to give service in every portion of the city and to enforce existing regulations for better fire protection. The most pressing need facing the city to-day is sewerage facilities. It will not be long until existing facilities will break down and there will be a rude awakening among the complacent who now have these facilities.

FIRST METHODIST CHURCH

The Methodist Church announces a change in the time of the evening service. Beginning Sunday, December 4, the evening worship service will be at 7 o'clock rather than 7:30.

CHRISTMAS PARTY FRIDAY

YOEMEN COP TWO GAMES

BASKETBALL SEASON IS OPENED WITH VICTORY

Coach Dick Young's basketball Yoemen got off to a flying start Tuesday night in opening the 1949 season here against Sharp.

Two games were played, one for the A squads and for the B squads of each school.

The basketball season, to run trough the winter months and contemplating a busy time at the gymnasium, got under way in Cameron as the Yoemen, playing their first game, defeated the Sharp Mustangs in a double header. In the A game the score was Cameron 39, Sharp 18.

Sharp started the fireworks early and took a 2 to 0 lead but this lead was soon overcome and never lost again by the Yoemen .

Alton Fuchs, Frank Malone and Eldon Batte led the Yoemen offense, while Gordon Gibson and Glen Rosenberg stood out on defense. James Kahler, Eddie Lankford and Barthey Braden played good ball as reserves.

In the B team game Cameron won 37 to 11. Coach Young emptied the bench, using every boy on the squad, 17 boys seeing service. Outstanding for the reserves were James Jenkins, Eddie Lankford, Barthey Braden, James Kahler, Alton Logan and John Henderson, and also showing promise are Leland Green III, Leroy Sanders, Nathan Offield, Jack Ingram, Ray Thompson, Earl Turner, Burrell Turner, John Joe Johns and Bill Matyastik.

Citizens Bank Gets New York Letter Partly Burned In Dallas Plane Crash

Citizens National Bank received a business letter from New York Wednesday morning that had been damaged by the fire resulting from the passenger airliner crash in Dallas on November 29.

Stamped on the envelope was "Damaged in air crash November 29, 1949, Dallas, Texas." This notation by the postoffice department.

The letter and envelope was burned around the edges. Being a portion of a close pack of air mail, the flames did not destroy the letters. The communication was a business letter from a New York financial institution.

Church Women Will Meet For Last Time This Season Friday

Council of Church Women will meet for the last time this season on Friday at 2 p. m. at First Christian Church.

Mrs. R. L. Robinson will give the devotional and Mrs. Felix Matula will speak on her native land, Czechoslovakia.

During the business session officers will be elected for the coming year. A large attendance is expected for this meeting.

Santa Claus Letters Wanted At Once By The Cameron Herald

Letters to Santa Claus, annual feature of The Herald's Christmas edition are needed at once so they may be included in evry section of the paper.

The publishers invite the children through the rural areas to write their letters at once and mail them.

Newspapers receive splendid cooperation each year from the school authorities and many letters will come through that source.

Much time is required to handle this volume and early mail will be appreciated.

$6,772.89 Sought In Suit Against Austin Insurance Company

Tom B. Brannon of Rockdale has brought suit for $6,772.89 against an Austin insurance company to recover hospital and medical expenses.

Brannon alleges that he was injured in 1948 while driving a truck for a Rockdale company and that the amount he is asking is for medical costs. It was understood that employes were covered with insurance written by the company.

The case will be heard Wednesday and a jury will be summoned. The court will begin hearing the case at 9 a. m.

Brannon is represented by Henry L. Thompson of Houston and the insurance company is represented by Hart, Brown and Sparks of Austin.

Free Buses Placed For Milk Bowl Game

Buses will be placed at the disposal of children and all who wish to attend the Milk Bowl game in Cameron December 10 from Rockdale, Thorndale and Milano, it was announced by Gene Walker Tuesday.

Mr. Walker said that those cities are taking a big interest in the game and want to see to it that children get a chance to be in Yoemen stadium for the game.

Business men in those towns are co-operating in the expense of publishing a program for the game.

Hefley-Stedman Motor Company Will Close For Milk Bowl Game

H. H. Stedman of the Hefley-Stedman Motor Company, Ford dealers, telephoned The Daily Midget to-day that the motor company's big plant will close for the Milk Bowl Football Game here Saturday, December 10.

Mr. Stedman said that he would willingly co-operate in any movement that wil lhelp the kids. This gesture on the part of Mr. Stedman is greatly appreciated by the people of Gause.

Dixie Walker, one of the major influences behind the Pee Wee football team at Gause and the Milk Bowl Game, was in Cameron Wednesday and was talking up the closing movement, already suggested here by this newspaper and others .

Leeman Wilson Is Now With Schiller Motors In Cameron

Leeman Wilson has accepted a position with Schiller Motors as a salesman for Dodge and Plymouth cars.

Formal announcement has been made by the motor company of the addition of Mr. Wilson to the sales staff.

Mr. Wilson has many friends in Cameron territory. He has a very fine record with Cameron Fruit & Grocery Company, in fact it is something of a record since he has been a salesman with the wholesale firm for 30 years, beginning in 1919.

Friends here will be glad to have this news of his change in business

Somerville Man Is Charged With Drunk Driving At Burlington

Maurice Gott of Somerville has been charged with driving a car while drunk in Justice Court at Burlington and the case has been transferred to county court in Cameron.

Gott was arrested by Constable Herman Dorner at Burlington on Saturday night and charged with drunk driving.

According to information here Gott was on his way to Rosebud and lost control of his car on a sharp turn in the street of the town and his car plunged into a store building.

Gott contacted his lawyer, Mack Bennett of Normangee and obtained his release under bond to appear in county court on December 5.

FINAL DATE FOR XMAS DECORATIONS DEC. 23

The Chamber of Commerce and the BPW Club are sponsoring a home recorating contest for Christmas this year.

Everyone is eligible to enter and may do so as individuals or as a group or organization, whereby you may win prizes for your club.

The decorations must be outside decorations, set up around your home or yard. Work on these decorations may begin at any time but must be completed by Friday, December 23, as that is the day the judging will take place. The Judging team will be selected from out of town and they will view the homes at night.

Prizes to be awarded are as follows: 1st $50.00, 2nd $35.00, 3rd $20.00, and 4th $10.00.

Three honorable mention prizes of $5.00 each.

A club may enter the contest by selecting the home of one of its members and decorating it. They may then contact the Chamber of Commerce and enter the name of their club, giving the address of the house they are decorating.

All individuals or clubs wishing to enter the contest must submit their names and address of house to be decorated to the Chamber of Commerce not later than December 19.

MOST POWERFUL BOMB YET MADE TO EXPLODE

WASHINGTON, Nov. 29 — The United States, pressing the atomic bomb race with Russia, announced tonight that it will conduct a new series of atomic weapons tests.

The experiments with weapons believed to be a more terrible efficiency that the U. S. bombs last exploded in the spring of 1948 will be conducted at the Pacific atoll of Eniwetok on dates kept carefully secret.

The blasts will be the first set off by the United States since Russia, striving frantically to overtake this country in the atomic field, produced an atomic explosion last September.

The secrecy about the dates of the forthcoming tests apparently is designed to make it harder for Rus-

SANTA CLAUS WILL BE HERE TO HEAD PARADE

Christmas season inaugural will be held here Friday, December 2 with the big Christmas Party being sponsored by the Chamber of Commerce and with the active co-operation and help of the Business & Professional Women's Club.

The big parade featuring Santa Claus will get under way at 4 p. m. The parade will form near First Baptist Church on West Main and proceed east through the business district.

Two bands will be here for the music. They will be the Caldwell High School Band and the Yoe High School band of Cameron.

Santa Claus will ride through the streets on a fire fighting truck from the Cameron Volunteer Fire Department and will distribute candy and souvenirs to the children.

Beginning at 6:30 p. m. a program will be given in central city park. The Manger scene will afford a sacred background and choirs from the various churches will present their portion of the program. The Manger scene will remain in the park through the Christmas season. Miss Melanie James, voice teacher at Ada Henderson school will direct the choirs and Mrs. Frances Cox will be at the piano.

L. G. Smith of Chamber of Commerce and W. J. Donovan, chairman of the trade development committee in the chamber, are active in arranging details of the park program and other features of the big Christmas Party which will formally inaugurate the Christmas holiday season in Cameron.

Gause Pee Wee Team Mascot Is Jersey Cow; Will Be Milked By Dixie Walker at Half; Game Here December 10 On State Broadcast

The Pee Wee Milk Bowl game to be played here on Saturday afternoon, December 10 between Gause and San Saba is not only to be colorful but will be realistic down to the last detail.

The Mascot of the Gause team is a Jersey cow and she will be milked as one of the half time entertainment features. Dixie Walker, one of the moving spirits behind the Pee Wee football program and former professional baseball pitcher, will milk the cow.

Well, folks, if there be any among you who have just sort of passed over this thing without realizing how big it is, you can revise your thinking and you had better be on time to get a seat.

L. G. Smith at the Chamber of Commerce said that it appeared certain that a big name milk company would sponsor the broadcast of the game, but that announcement would be made soon. One thing is certain, he said, there will be a state wide broadcast of the game, first bowl game of its kind in the history of football. There will be sports commentators just like big time football games have and the broadcast will begin at 3 p. m.

Meanwhile information had come in on the team from Gause but nothing from San Saba.

The Gause team features the running of 93 pound quarterback, Wayne Jones who has scored 105 points this season with runs of 65 and 50 yards and lesser sprints. The team is coached by non-salaried Bill Hairrell and is assisted by Jimmy Harris. Athletic Director is Eugene Waefer, widely known Texan.

Here are the probable starting line up and reserve roster of the Gause team:

MILK BOWL PEE WEE TEAMS SPOTLIGHTED

All kinds of good ideas are popping out of the spotlighting of the Pee Wee team milk bowl here on Saturday, December 10.

The latest and a good one is that something ought to be done about the kids. Why not Kidd's Day all over America. At least Milam county can and will have Kid's Day and it will be the first one ever celebrated.

Gene Walker of Gause, moving spirit behind the Pee Wee football team there that is to meet the San Saba team in the nation's first milk Bowl game here December 10, made the Kid's Day suggestion Monday.

Now that the Pee Wee football program is being eyed by cities and towns all over the state, it is entirely plausable that Kid's Day will also be taken up.

So regardless of whether Kid's Day becomes national in its significance, Milam county will have Kid's Day and it will be an annual event built around the Milk Bowl game to be played here each December.

After all we have Mother's Day, Father's Day, Labor Day, Decoration Day and just about every other kind of 'day' smart folks can think up. "What could be more important than Kid's Day," asks Gene Walker. The kids are the fathers and mothers of to-morrow and in their relation to society and the future are more importan than the grown ups. Se we are going to have Kid's Day. The Mayor will no doubt be glad to issue a proclamation and the County Judge could proclaim Kid's Day throughout Milam county, for all those kids will be looking forward to the Milk Bowl game with all its appeal to the little boy who want something to do some share in the social and civic life of the county.

Grand Prize Announces New Pale Dry Beer; First In Texas

HOUSTON, December 1—Following a month of intensive promotion with a teasing "Taste it—compare it" campaign, the Gulf Brewing Company of Houston introduced a new beer to the Texas scene, calling it Grand Prize Pale Dry Beer.

Prior to offering Grand Prize Pale Dry Beer for sale, the Brewery withheld all old stock from the market and supplanted it with the new beer. To make the change-ovr complete, the new Grand Prize Pale Dry Beer is being presented with a newly designed, distinctive label on bottles and in an outstanding silvery can.

Mr. Lieberman, Master Brewer of the Gulf Brewing Company said in an interview, "Long research into the changing tastes of the beer-drinking public indicated that preference now runs strongly to a "pale dry" beer. In other words, modern tastes now discards the heavy, bitter beer with sweet overtones in favor of one subtle flavor and with sparkling, racy dryness carbonated with such minute bubbles that it forms a creamy head even at low temperatures and keeps it longer."

He went on to say, "that this new beer has achieved its present peak of perfection as a result of more than a year's painstakiing research and blending. The ingredients that go into Grand Prize Pale Dry have been

BRENHAM, Nov. 25—Rosebud and New Braunfels will meet in the second round of Class A football playoffs in Temple at Woodson field Friday, Dec. 2, at 8 p. m.

New Braunfels, bi-district winner here tonight against Brenham, 27-13, lost the coin flip called by its coach, Weldon Bynum. Coach Glenn Lowe of Rosebud had designated Temple as the Black Panthers home field. The meeting of officials was held after the game here.

Rosebud was district 21-A champion and bi-district victor over Lampasas. New Braunfels was district 24-A titlist.

Buckholts Hunting Party Returns With 11 Deer Late Tuesday

A party of Buckholts hunters have returned from a week stay at a hunting lodge between Llano and Fredericksburg and brought home 11 deer.

E. J. Porvasek told this newspaper briefly about the hunt. In the party were E. J. Porvasek, Denson Provasek, J. A. Provasek, Ed Pagel, Edwin Fischer, Bill Ludwig and Joe Slovacek.

Each got two deer except Fischer, Pagel and Slovacek who got one each. Four of the deer were 8 point bucks. The meat has been placed in cold storage.

All the deer were killed in Llano county. The party left Buckholts on November 17 and returned Tuesday, November 22.

Mr. Provasek said that 550 deer were killed the first day in the Fredericksburg area and they saw many in storage in the plants at Llano.

To add to the success of the hunt one wild turkey was killed. Mr. Provasek said the weather was ideal and the deer fat and abounding in great numbers. They took some photos and one was to be made available to this newspaper.

Mrs. Wilson Killen is improving nicely at St. Edwards Hospital. She has been ill for several days.

Buckholts Veteran Back In Army For 6 Year Enlistment

M-Sgt. Charles G. Caperton of the Temple US Army and US Air Force Recruiting Station announces the enlistment of Morris M. Jones of Buckholts in the United States Army in the grade of Corporal for a period of six years.

ROSEBUD PANTHERS ARE BI-DISTRICT WINNERS

By WOODY MONTGOMERY
Temple Telegram

Rosebud's Black Panthers rode the broad shoulders of Bill Davis to a 16-14 victory over the Lampasas Badgers in a thrilling bi-district game on Woodson field last night witnessed by 5,000 fans.

Davis, the 168-pound sparkplug, did just about everything to give the Panthers the win as he ran, passed and kicked extra points. And it was his 20-yard field goal in the fnal minute of the game that handed Rosebud the triumph.

The game winning points came with less than a minute left. Rosebud was trailing, 14-13, when the fireworks started.

Lampasas was held for downs and was forced to kick. Davis took the punt and was downed on the Panthers' 40-yard line. Then it was Davis to Sanders to the Lampasas' 43—Davis to Schigut to the 25—Davis on an end run to the 12, and there three passes failed.

Davis dropped back to the 20-yard line and split the uprights at about a 30-degree angle to give Rosebud the victory.

Lampasas started the scoring early in the first quarter as the Badgers powered to paydirt the second time they were on the offense.

Davis had fumbled for Rosebud and Dwayne Turner recovered for the Badgers on Rosebud's 12-yard line.

The Badgers worked the ball to the nine-yard line where Turner skirted right end for a touchdown. Joe Hesson kicked the extra point.

Rosebud's big tackle, Ray Allen Griffin, set up the Panther's first touchdown when he blocked a Lampasas punt on the second play of the second quarter.

Richard Schigut, Davis and Tommy Sanders moved the ball for a first down and then Schigut cut off tackle to go to the nine-yard line.

On the third play Davis powered off tackle for the TD. He kicked the extra point.

From that point on the two teams see-sawed in the center of the field until the half ended knotted at 7-all.

Lampasas started the second half like a house afire. After an exchange of punts, Billy Thomas started a Badger passing attack and three plays later the Lampasas eleven had scored.

The attack from the air started on the Lampasas 34-yard line. It was Thomas to Darrel Wright for 38 yards. Turner carried to the 19-yard line on an off-tackle play, and then Dale Hatley took the next toss over the goal line for the score. Hesson again made the extra point try good.

The next Rosebud tally was set up as Robert Tawater intercepted a Lampasas pass as he sat flat on the ground on the Badgers' 20-yard line.

Davis unlimbered his whip-like right arm and hit Sanders with a pass that moved the ball to he 10 yard line. Davis then ducked his head and hit the center of the line to score with three Badgers hanging on.

The Rosebud stands started chanting "Kick that goal" but the extra point try by Davis was blocked and Lampasas led, 14-13.

Lampasas took the kickoff and had moved to their 36-yard line when the officials signaled three and a half minutes to play.

Rosebud line was like a stone wall at that point and Thomas was forced to punt.

Davis took the kick but was downed in his tracks on his own 40-yard line.

From that point the firing started.

It was Davis to Sanders to the Lampasas 43. A screen pass to Tapman was good to the 32. Davis to Schigut to the 25. Then Davis on an end sweep to the 13. But there the ground and passing attack bogged down.

Davis dropped back and booted the all-important field goal to give Rosebud the win.

Lampasas wasn't through. They Jack Joron finally broke the Badger fans' heart as he intercepted a pass for Rosebud. The gun sounded before a play could be run.

COLD WEATHER MAY FOLLOW STORM IN

SEATTLE, Nov. 27—The Pacific Northwest counted at least 15 dead and property damage in the millions today in the wake of rain-laden hurrmicane force winds that roared eastward toward the Plains States with undiminished violence.

The Winter's first major storm spawned in the North Pacific raced across the Rockies in full fury. Gusts up to 105 miles an hour were reported at Cut Bank, Mont., and up to 96 miles an hour at Sheridan, Wyo. It was one of the worst storms in Pacific Northwest history.

Forecasters said the howling westerly should hit the Midwest some time tomorrow.

A trail of destruction was left behind the storm in the Northwest. It toppled an 826-foot radio tower at Spokane, blew down a 250-foot lumber storage shed at Colville, Wash., and uprooted trees in Northern Idaho.

Winter made its grand entrance in three other sections of the country. In Florida temperatures tumbled as low as 25 degrees, causing perhaps $5,000,000 damage to vegetable crops. New York City had its first snow of the season—a scanty one-tenth of an inch in Manhattan and about two inches on outlying highways.

In Chicago, weather forecasters said that in the North Central States snow averaging six to 10 inches blanketed the ground. Except for traces of sorrow througout New England, weather was generally normal elsewhere across the nation.

In the central Texas area summer like heat prevailed Sunday. There was no indication that any change in the weather would occur for the next 24 hours, although a mild cool front was forecast. Air currents are changing and cool fronts, unless severe may low a severe change since moist air not reach this area. Rain might folwas being pulled in from the Gulf.

Two Killed and 19 Hurt in Highway Crash Near Hearne

HEARNE, Nov. 25—Two Mexicans were killed and 19 injured when the bob-tail trailer truck in which they were riding overturned about four miles west of Hearne on U. S. Highway 79 this afternoon about 3:30.

Killed were Augustine Calvillo Artiz of Monterrey, Mexico, and Francisco Hernandez Guzman of Somberette, Mexico.

None of the other 19 were believed injured seriously, although three or four of them will remain hospitalized for several days. All of the injured were treated at Hearne Clinic.

The Mexicans were farm laborers returning from Wolfe Island, Mo., to McAllen where they will be turned over to immigration authorities and be returned to Mexico.

R. L. Duke of Mercedes was the driver of the truck. He was in charge of the party and is to turn the Mexicans over to authorities at the border.

Lampasas Man Has Heart Attack At Football Game

Thomas Jefferson Casbeer of Lampasas was reported in "serious condition" at Scott and White hospital late last night following a heart attack during the Lampasas Rosebud football game.

Mr. Casbeer collapsed during the half-time activities and was carried to the hospital by an Ashley Memorial ambulance.—Temple Telegram.

Cecil Stephens of Milano is a patient at Newton Memorial Hospital.

J. T. Krull of Route 3, Cameron was in town Tuesday on business.

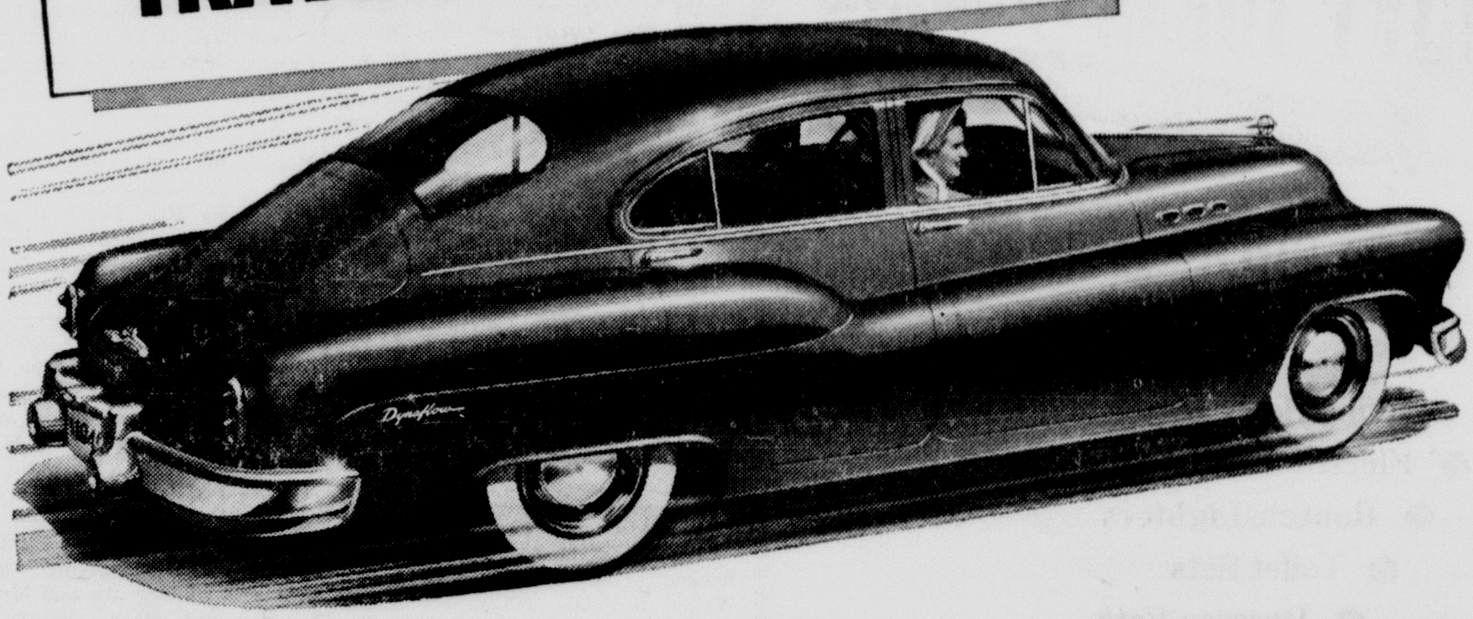
LOOKS like a Jet Plane TRAVELS the same way



YOU see it quick-stepping along the highway—and you can't miss the parallel.

You glimpse a bold front end—sleek tapering fenders—flaring, streamlined roof lines—even to "double bubble" taillights, here is the look of "the fastest thing that flies."

Then you try one on the road, courtesy of your Buick dealer.

Adjectives flock into mind—"agile"—"nimble"—"eager."

You realize that here is *action*, swift and easy—action born of Fireball valve-in-head straight-eight power—action floated on soft coil springs that, for all their lightness, keep your grip on the road sure-footed and firm.

This you tell yourself, *is traveling as traveling should be.*

Comfortable—in the spacious manner of king-size interiors. Easy—in the lightness of controls, which can include even the magic of Dynaflow Drive* if you wish. Pleasurable—in the wide, wide outlook that's yours, and the inner satisfaction of having a Buick for your very own.

And we might add another thing, just by way of being practical.

It's frugal too. Frugal in a first cost that's actually less than for some sixes. Frugal in the surprising way such a sizable car gives the go-by to gas pumps.

And if you have Dynaflow, frugal even in many upkeep costs you can forget about—such as clutch troubles, transmission maintenance, even many engine servicing costs.

Why not put yourself into one of these jet-lined beauties right now? It's more easily managed than you might imagine — as you'll see by talking to your Buick dealer.

It was indicated that the experiments would be witnessed only by American military men and scientists—with no foreign observers or the press present.

The same policy prevailed at last year's tests, also held at Eniwetok, but at the 1946 blasts at Bikini atoll foreign observers, including Russia, were present.

Eniwetok, the proving grounds for the experiments, is in the Marshall islands, 7,250 miles from Washington, 5,000 miles from San Francisco, and less than 4,000 miles from the China coast.

The announcement was made jointly by the atomic energy commission and the Defense department, which said:

"The department of defense and the atomic energy commission have advised the President that a new series of tests of atomic weapons is planned at the commission's proving ground at Eniwetok Atol in the Marshall islands.

"Full security restrictions as required by the atomic energy act apply to all aspects of test operations, including the time of the tests.

"As in past atomic weapons projects, the field operations will be carried out by a joint task force, composed of personnel of army, navy and air force, and the atomic energy commission.

$500,000 Worth of Texas Peanuts Are Roasted To Ashes

STEPHENVILLE, Nov. 24—Some $500,000 worth of peanuts were roasted to ashes early today when a fire destroyed the Swift and Co. peanut storage plant.

The frame building was jammed full of oil-rich goobers ready for shelling and processing. They burned fiercely and the flames spread to a nearby quoinset hut, destroying $15,000 worth of furniture owned by the J. T. Mays department store.

A transient was arrested near the scene and held for investigation. Police said he had built a fire near the peanut shed and that it apparently had ignited the structure, measuring 50 by 100 feet.

Mr. Lieberman further stated that only the very top grades of barley malt, the finest seedless female hop blossoms and the purest variety of brewers' rice are used. The most modern brewing equipment was installed and has served as a real inspiration to the staff.

Reeves W. Hendershot, Vice-President and General Sales Manager, speaking to the Press, said, "We feel that we now have a truly superb beer. We are sincerely proud of it. We have the first "pale dry" beer in Texas, or in the entire Southwest, for that matter, and we are confident that it will meet with the approval of all who try it. We sincerely urge those who like and appreciate beer to taste it and compare it with any beer made anywhere."

Miss Albina Hrozek And Joe Janacek Are Married November 22

Miss Albina Hrozek, daughter of Mr. and Mrs. John L. Hrozek of Cameron, became the bride of Joe Janacek, son of Mr. and Mrs. Steve Janacek of Seaton, November 22, 1949, at nine o'clock in the morning.

Rev. George Duda read the double ring ceremony at St. Monica's Catholic Church before an altar banked with chrysanthemums and fern.

The bride, given in marriage by her father wore a gown of traditional white satin, fashioned with a round yoke of lace and fitted bodice, which closed down the back with tiny shelf covered buttons. The long fitted sleeves came to lace points over her hands, and her skirt was full with inserts of lace, extending into a full length tarin. A tiara held her finger-tip veil of illusion and she carried her white rosary with her bouquet of white carnations which was tied with white satin streamers. For something old she carried her mothers white lace wedding handkerchief and for something borrowd she carried her sister's gold chain cross.

Miss Mary Ann Zavodney was maid of honor and wore a blue taffeta dress, with a wreath of matching flowers in her hair. She carried an arm bouquet of pink chrysanthemums with satin ribbon streamers. Bridesmaids were Estelle Glaser, wearing a pink taffeta gown covered with lavender net with matching flowers in her hair and carried a bouquet of maroon chrysanthemums. Lincoln Joe Mondrick was her escort. Margie Grigar was gowned in aqua net with matching flowers in her hair and carried a bouquet of yellow chrysanthemums with satin streamers. Her escort was William Schiller. Barbara Ann Mondrik was junior brides maid and was dressed in a lime green taffeta dress. She also wore flowers in her hair and carried a bouquet of varigated chrysanthemums with satin streamers to match those of the bridesmaides. Albert Frank Mondrik was her escort.

Frank Janacek was his brothers best man.

The bride's mother chose a black dress with black accessories for her daughter's wedding, and wore a white corsage of chrysanthemums. The groom's mother was dressed in brown with brown accessories and a white chrysanthemum corsage.

A seated dinner was served at high noon, at Simon-George Memorial Hall to the immediate families of both the bride and groom. The bride's table was centered with the three-tiered wedding cake topped with miniature bride and groom.

An evening supper was served to the aunts and uncles and their families of the bride and groom.

At night a wedding dance was given to honor the wedding party.

Out of town guests included: Mr. and Mrs. Norman Stuart, Jr. and son of Bryan, Mrs. Vic Sustek and daughter and son of Bryan, Mrs. John Valenta of Lufkin, Mr. and Mrs. John Kohutek, Mr. and Mrs. Joe Macek and Mrs. Mary Macek all of Temple.

Miss Bernice Lucko Bride Elect, Given Shower At Vogelsang

Miss Bernice Lucko, bride-elect of Donnie Rice was honored with a shower at the Vogelsang Community house Monday evening by Mesdames Arnold Rummell, Elbert Rummell, Dennis Klien, Charlie Lucko and Monroe Lucko.

Approximately 70 invited guests were present. A series of games were played with prizes going to the honoree.

The hostesses served sandwiches, potato chips, pickles, cookies and coffee. Plate favors were colorful jelly beans.

As the guests arrived and brought gifts they were arranged on a table and after refreshments had been served the curtain was pulled away and the bride opened her many gifts and passed them to the guests.

The wedding will take place later in the week and the couple will live in Houston.

Kenney Blake Given Birthday Party

Kenney Blake celebrated his third birthday with a party, at the home of his parents, Mr. and Mrs. Gene Blake on November 19.

The following friends were present to wish him a happy birthday: Ann and George Bowman, Cliff Evans, Linda Miller, Peggy and Denny O'Neil, Sandy Higginbotham, Larry Wernli, Glenn Blake, Lee Bert Robinson and Valarie, Lynette and Pam Green. Mrs. F. G. Blake of Hearne also attended her grandson's party.

Mrs. Blake was assisted by mesdames Gus Evans, G. W. Bowman and Miss Dorothy Merchant in serving cake, ice cream and cokes.

Mildred Caperton And David Ansley Married Here Tuesday

Mildred Faye Caperton and David Ansley were married at the home of the bride's parents, Rev. and Mrs. P. L. Caperton Tuesday, November 22 at eight o'clock in the morning.

Rev. P. L. Caperton performed the double ring ceremony.

Vases of lavender and white Chrysanthmums decorated the Caperton home.

The bride wore a lovely dress of blue crepe with brown accessories and a white Carnation corsage. The couple were attended by Mr. and Mrs. Narvie Caperton of Cameron. Others attending the wedding were Betsy Caperton, Mrs. Eula Crook, Mrs. Joe Barmore and Eddie Earl Lankford.

Shortly after the wedding the bride and groom left for a wedding trip to Old Mexico.

The bride is a graduate of Yoe High School and attended TSCW in Denton for three years. She has been employed by Southwestern Bell Telephone Company in Cameron for the past two years.

Mr. Ansley, who recently came to Cameron from Freeport is now associated with the Milam Drug Company where he is manager.

Nan Reno Observes 6th Birthday With Party At Coffee Shop

Honoring their little daughter, Nan Mr. and Mrs. Fred Reno entertained with a party celebrating her sixth birthday, Sunday afternoon, November 27, 1949. The party was held in the Club room at the Milam Coffee Shop from two o'clock until five.

The club room was beautifully decorated with fancy colored balloons in various shades, lending a festive air to the happy occasion. The long table was laid in white centered with a large basket of baby mums and fern. The birthday cake was decorated with tiny pink, blue and yellow rosebuds and surrounded by miniature dolls bearing tiny flags. Six burning candles completed the cake decorations.

Twenty-one little friends were present to enjoy the cake and iced cokes. An out of town guest was a cousin of the honoree, little Miss Brenda Faye Grabener of Lufkin who spent the week end in the Reno home and returned home on Monday.

Mr. and Mrs. Hugh Ridout and little son Hugh Glenn of Galveston spent the week end with Mr. and Mrs. John Tindall. Mrs. Ridout and son remained for a visit.

Calcutta, India, swollen by war, claims a population of more than 12,000,000, which would make it considerably larger than New York City or London.

The Ed Schuetzes Observe Wedding Anniversary Sunday

Mr. and Mrs. Ed Schuetze celebrated their 25th wedding anniversary at their home in Burlington Sunday, November 27 and greeted their friends and relatives who called to congratulate them on the celebration.

Their children, Clarence of Temple, Varina, Shirley and Robert Lee of Burlington were present.

Mr. and Mrs. Schuetze were both reared in Burlington where Mr. Schuetze is engaged in farming.

Approximately 68 guests were present for the occasion and a luncheon was served at the noon hour.

Referee In Cameron And Rosebud Game Writes Appreciation Of Capt. Gordon Gibson

Capt. Gordon Gibson of the 1949 Yoemen team got praise from Henry Gibbs, Referee in the Cameron-Rosebud game last Friday night.

In a letter received here Wednesday by Coach Paul Smith, the referee, writing from Waco, commends Capt. Gibson very highly for his leadership, sportsmanship and courtesy.

Here is the letter in full:

Waco, Texas
November 15, 1949

Coach Paul Smith,
Yoe High School
Cameron, Texas
Dear Coach:

I wish to express my appreciation of having the opportunity of working your game with Rosebud last Friday night. It was a pleasure to work for you.

I would like to take this opportunity of commending the Captain of your team, No. 44. In all my experience in football, as player, coach and official, your Captain for that night was the most courteous and sportsmanlike leader that I have ever had the pleasure of working with.

With best regards I remain,
Sincerely,
HENRY GIBBS,
Referee.

Business Women Plan Yule Program In Session Tuesday

The Business & Professional Women's Club met in regular session at the home of Mrs. W. J. Donovan on the night of November 15.

A report was made by the Community Christmas Party Planning Committee as to the progress made thus far and is being carried out with the cooperation of the Chamber of Commerce.

Members were appointed to take charge of soliciting funds to carry out the project and the fund raising campaign started November 16th. Miss Mary Randolph was appointed to have charge of the figures to be used in the manager scene in the park, and Mrs. Eula Sutherland is in charge of having wreaths made for decorations in the downtown area. Other plans were discussed in connection with the program.

Plans were also laid for the annual B. & P .W. Christmas party, to be held in the Club rooms on the night of December 13th.

Miss Myrtle Hinton, Chairman of the Finance Committee presented the proposed budget for the year, which was accepted.

Two new members were elected for membership; Mrs. J. L. Walker and Mrs. Bessie McLendon. They were enthusiastically welcomed into the Club.

A refreshment course of angel food cake with whipped cream and peach halves, coffee, tea and nuts was served in the dining room by Mrs. Donovan, assisted by Mrs. Edith Starnes.

The following members were present: Miss Lillian Atkinson, Mrs. Cora Cammer, Mrs. Agnes Lowe, Mrs. J. L. Walker, Mrs. Edith Starnes, Mrs. Eula Sutherland, Miss Annie Stallworth, Miss Myrtle Hinton, Miss Mary Randolph, Mrs. K. K. Robbins and Mrs. Loretta Brock.

My 4-H Club Work

(By BEVERLY GARNER)

I joined the 4-H club in 1945 when I was ten years old and in the sixth grade. I was elected vice-president of the Sharp club and volunteered to be clothing demonstrator. I took inventory of my clothes and kept a record of what my clothes cost.

For my project that year, I raised a calf. I didn't complete all my goals, but I became interested in the 4-H club and was anxious to get started on the next year's work.

I rejoined the 4-H club in September of 1946 and was elected President. During that year, our goals were in canning and sewing. I won a blue ribbon on the blouse I made and also on the beanie I crocheted, and a blue ribbon on the dew-berries I canned.

For my project during that year, I bought twenty-five white rock chickens and raised twenty-three of them.

At the end of that year's work, I attended County encampment at the Cameron City Park.

October 11, 1947, I was given an Honor Award for my 4-H club work for being a 100 per cent Club girl.

In September, 1947, I joined the 4-H club for my third year, and was re-elected President. Our main goals were in baking and sewing. We had a style show at Sharp that year and I won fourth place on a school dress I made. I also won a blue ribbon in the 4-H Better Baking Show in Rockdale. We had planned to have a county style show that year, but, since our Agent resigned, we didn't have it.

In September, 1948, I rejoined the 4-H club for the fourth year and was again elected President.

Our main goals for the year of 1948 and 1949 were in bedrooms and clothing.

In April of 1949, we had a club style show at Sharp in which I won first place on the school dress, which I made. I also attended the T. H. D. A. District Meeting at Cameron and told of my 4-H club work.

In May, I won first place on my school dress in the County Dress Revue.

From June 13 to June 15, I attended the Texas 4-H Club Round-Up at A. & M. College.

During this year, I took re-modeling my bedroom as my project. In remodeling my bedroom, I painted the ceiling, woodwork, bed, dressing table and the closet. I papered the walls and made some curtains and a bedspread to match.

In July, I attended the Milam County 4-H Encampment at the Coffield Ranch.

At the end of my four year's work, I was elected Gold Star Girl. I am now a sophomore in Sharp High School and I plan to continue my club work throughout the rest of my high school days. I think if any 4-H club girl will work and stay in the club that it will really be worth while to her.

Heavy-Duty Engineered

INTERNATIONAL TRUCKS

America's most complete truck line. 87 basic models, thousands of specialized variations—each heavy-duty engineered.

Every International Truck in the line is all new. And every new International Truck from 4,200 to 90,000 pounds GVW is HEAVY-DUTY ENGINEERED!

That means the new International Trucks give you lower operating and maintenance costs. It means they'll last longer. Look at the record.

For 18 straight years International has been first in the sale of heavy-duty trucks (16,001 pounds and over, GVW). Cost-conscious men who buy these trucks buy on a basis of performance proved by cost records.

The same management, the same engineers, the same production men, the same test experts who have kept International Trucks the outstanding value in the heavy-duty truck field, have developed *every single new model* in the new International Truck line.

Come in—find out what heavy-duty engineering means in terms of operating economy. See how heavy-duty engineered truck stamina is combined with new comfort and ease of handling. Go over the outstanding new features—each one proved under actual operating conditions in years of tests from coast to coast.

AN ORDINANCE

AMENDING THE FIFTH (AND LAST) PARAGRAPH OF SECTION 5 OF AN ORDINANCE REGULATING GAS PIPING, APPLIANCES, FIXTURES AND APPARATUS IN ALL BUILDINGS, ETC., PASSED BY THE CITY COUNCIL OF THE CITY OF CAMERON ON THE 5th DAY OF JUNE, A. D. 1928.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS:

Section 1. That the fifth (and last) paragraph of Section 5 of the Ordinance regulating gas piping appliances, fixtures and apparatus in all buildings and structures of gas consumers; regulating the installation, construction, reconstruction, adjustment and repair thereof; providing for bonds and licenses of persons, firms or corporations doing gas fitting in the City of Cameron; providing for inspection and piping of natural gas in all buildings or structures using same; providing penalties for violations thereof; and declaring an emergency, etc., passed by the City Council of the City of Cameron on the 5th day of June, A. D. 1928, shall be and is hereby amended so that said paragraph shall hereafter read as follows, to-wit:

"For each inspection of new gas piping, or alteration of gas piping or fixtures already installed, in any building or structure in the City of Cameron, or of any gas piping connecting any building or structure with the gas main, the Plumbing Inspector shall demand and receive from the person, firm, or corporation applying for each inspection the following fees ,to-wit:

(a) For inspection of new yard, or outside, piping from gas main to building or structure the sum of $1.00.

(b) For inspection of new, or altered, piping and fixtures within building or structure, the sum of $1.00.

(c) For inspection of installation of one stove alone, the sum of fifty cents, $0.50."

Section 2. The fact that there is now no provision made by ordinance for a just and reasonable charge or fee for the services of the Plumbing Inspector to secure the services of such officer, creates an emergency and imperative public necessity that the rule requiring ordinances to be read on three several days be suspended, and said rule is hereby suspended, and this ordinance shall take effect and be in force from and after its passage, approval by the Mayor, and legal publication as provided by law; and it is SO ORDAINED.

Ordered by Alderman L. Van Perkins.

PASSED AT A REGULAR MEETING OF THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS, after suspension of the rule requiring reading on three several days by unanimous vote of all members present, by a roll-call of four affirmative votes and no negative vote.

APPROVED on this the 17th day of November, A. D. 1949.

Roy Griffith,
Mayor of the City of Cameron, Tex.

PEE WEE TEAMS WILL PLAY DECEMBER 10

Cameron's first annual Milk Bowl football game will be played Saturday afternoon, December 10 at 3 p. m.

The time has been changed again. At first it was December 16 and then December 9. Now an afternoon game beginning at 3 p. m. on Saturday, December 10.

L. G. Smith, manager of the Chamber of Commerce said early Wednesday that a conference between officials of the schools Tuesday had resulted in the changed date. He said officials feel that the weather is too cold at night for children and since children will no doubt make up a major portion of the crowd a day game has been finally decided upon.

Fortunately tickets had not been printed. Just in time, the date will be changed and tickets will be on sale Friday, since the Chamber of Commerce will be closed Thursday in observance of Thanksgiving.

The game, first such bowl in the history of football, will be played between the Pee Wee teams of Gause and San Saba. All boys on the team will weigh not to exceed 100 pounds.

Gause is the host team in what is planned to be an annual milk bowl game in Cameron. Money from the gate will buy milk for the students in the schools.

The many friends of Nolan Dodson will be glad to know that he is improving after being seriously ill since last Wednesday night. Mr. Dodson is at St. Edwards Hospital and is not able to have company at this time, but it is hoped that his friends will be able to call on him soon.

She had lived in Falls and Milam counties for many years and was always active in the affairs of her community. She lived very close to her church until her health failed.

She was a charter member of the Falls County Home Demonstration Club and was active as long as she was able. She was also a charter member of the Woodman Circle in Milam County.

Chas. M. Hicks Is Presiding Officer At State Meeting

Chas. M. Hicks, County Superintendent for Public Instruction, has just returned from the state meeting in Dallas where he presided over the session of County Superintendent's for Texas.

Mr. Hicks was elected Vice-President of the State Association this summer at College Station. The County Superintendent's Association for Texas, while a seperate organization, usually meets as a section of the great Teachers Association state meet.

Mr. Hicks as presiding officer for the Dallas session directed the program, arranging a fill in during the day to bring before the Superintendents topic of vital interest, notably transportation under the Gilmer-Aikin Bill and food distribution for which he is director here for 11 counties.

Truck Crash Near Hearne Takes Life Of Driver Tuesday

HEARNE, Nov. 29— A wrecking crew restored Southern Pacific's main track here today after an early-morning accident in which H. C. Stewart, 22, Palestine truck driver, burned to death after his truck collided with a moving freight train.

The truck which Stewart was driving struck with such force that three cars of the train, section of train 343, were derailed. The charred body of the victim was removed after flames which engulfed the truck were doused.

Highway Patrolman Jimmy Mason of Hearne, who investigated the accident, said fog evidently prevented Stewart from seeing the train in time to stop. The accident occured in the western edge of Hearne where the Frankln Highway crosses the Southern Pacific track.

Conductor J. R. Marks and Engineer Clifford Norman said the accident occured at 5:38 a. m.

The truck was loaded with glass bottles and was going toward San Antonio .

Friends of E. A. Hairgrove will be glad to know he is much improved and has returned to his business after being ill in Newton Memorial Hospital .

MRS. EMIL MICHALKA FUNERAL HERE SUNDAY

Mrs. Emil Michalka, 48, died early Saturday morning, November 26 at the St. Edwards Hospital following a heart attack.

Mrs. Michalka was born in Beeville May 14, 1901 and was living at Salem at the time of her death. She suffered a heart attack sometime Friday and was rushed to St. Edwards Hospital.

Survivors are her husband, Emil Michalka, three daughters, Miss Alma Michalka of Cameron, Miss Edna Michalka and Mrs. Lottie Heintze of Houston, two sisters, Mrs. Amelia Michalka of Cameron and Mrs. Lena Kuhnert of Beeville. One garndchild survive .

Funeral services will be from St. Monica's Catholic Church Sunday, November 21, at 3:30 p. m., services conducted by Rev. George J. Duda. Burial in St. Monica's cemetery.

Body will remain at the Marek-Burns Funeral Home until the funeral hour.

Daughter Born To Lt. and Mrs. Chas. Law In Japan November 29

A cable received by Mr. and Mrs. Roy Law Tuesday announced the arrival of Deborah Law, daughter of First Lt. and Mrs. Charles R. Law, in Sedai, Japan.

Lt. and Mrs. Law are stationed at Yamoto, Japan, at the Matsushimi Airdrome. They plan to sail for the states March 7, 1950.

They have one other daughter, Sandra, who is three and a half years old. Lt. Law has been in Japan since April of 1947, Mrs. Law and Sandra joined him in March 1948.

Two Hour Closing Saturday December 10 Is Urged Here

L. G. Smith, Manager of the Chamber of Commerce, said Monday that he was working on the suggestion that the business houses in the city close for 2 hours on Saturday, December 10.

Many people employed in the stores want to attend the Milk Bowl football game in the afternoon and business men want to attend but cannot do so if stores stay open.

The suggestion has come from many sources, said Mr. Smith. He said that Mayor Griffith, he feels will be ready to issue a Proclamation for the closing and to designate Saturday, December 10 as Kid's Day in Cameron.

The Daily Midget has received suggestions on the closing hours and strongly urges business men to cooperate. For this one great day anything can be sacrificed in the way of business time. To offset the two hour closing stores could remain open for two hours longer in the evening since Christmas shopping will be on, and besides nearly all the people who can crowd into the stadium will want to see this unique football game. the only one of its kind ever held in America.

Cameron has been widely publicised over the game. We will be official hosts to many people. Do we want to be found "doing business as usual," or do we want to be gracious hosts. To close 2 hours is worth more to the city than a week of open stores.

Sardines are cheaper than the olive oil in which they are canned.

Francis Cox Will Judge At Huntsville Band Contest Saturday

Francis Cox, director of Yoe High School Band, will be in Huntsville Saturday, December 3 for the Region 5 Interscholastic League band marching contest.

Mr. Cox will be one of the judges in the contests which will draw approximately 45 bands from the region.

The contest will consume most of the day Saturday, closing at night with drills on the football field. Mr. Cox will return to Cameron Sunday.
